REPLY TO THE ATTENTION OF

MEMORANDUM

SUBJECT: Remedy Selection for the South Green Avenue Superfund Site, Detroit, Michigan

FROM: Gail C. Ginsberg
Regional Counsel *Gail Ginsberg*

TO: William E. Muno, Director
Superfund Division

The Office of Regional Counsel (ORC) has reviewed the comments submitted by a citizen regarding the Engineering Evaluation/Cost Analysis (EE/CA) and proposed remedy for the South Green Avenue Site in Detroit, Michigan and our response to those comments. Nothing in the comments warrants the withdrawal or modification of the EE/CA and proposed remedy. Therefore, ORC recommends that Region 5 finalize the selection of excavation with off-site disposal as the removal remedy through completion of this document.

Brian Barwick at 6-6620 is the ORC staff attorney assigned to this matter.
